MP Zrt. forwards the postal item to the addressee as soon as it receives a certified notification of the final customs decision from the addressee or the proceeding customs agency.

C. Goods forwarding – only in case of an item of a natural person who resettles or who moves his or her habitual residence to the territory of the EU¹

In the case of goods forwarding customs procedures, MP Zrt. forwards the postal item to the delivery post office according to the address indicated on the item label after it arrives in Hungary. Only the CN23 customs declaration will be delivered. The addressee himself or herself has to take care of customs clearance of the postal item at the competent National Tax and Customs Administration (NTCA) county directorate, within the presentation deadline indicated on the CN23 customs declaration. After customs clearance, the postal item can be taken over at the delivery post office by handing over a copy of the CN23 declaration certified by NTCA upon paying the intermediary service fee for goods forwarding service.
